STORY & BIBLE VERSE REVIEW

Prompt your children to remember what they learned in today's story! Celebrate when they remember!

Say This:

1. What are things you can do with your nose, ears, feet?
2. What are some silly things you can do (make a funny face, make silly noises)?
3. Who made you? (God did!)

Practice the Verse:

Help your kiddos remember that we can be like Jesus by reviewing their monthly Bible verse! Have fun saying the verse by whispering softly, shouting loudly, or in your best animal voice. Be creative!

"I (thumbs to chest)
am wonderfully made (two thumbs up)."
Psalm 139:14 (Open hands like a book.)

Talk About It:

Every part of your child is wonderfully made by God. It's true! God made them and loves everything about them. When they're waving to their friends with their hands, running around the playground on their feet, or eating yummy food with their mouth—they can remember that God made them and loves everything about them.

Pray:

Dear God, thank you for making each one of us special and for loving everything about us. Thank you for (name the children and talk about the things you discussed). We love you, God. Amen.

Make a PERSON PUZZLE

God made every part of us. It's true! We can remember that God made us and loves everything about us. Make a "person puzzle" with your child and talk to them about how every part of them is **WONDERFULLY** made!

Here's what to do:

1

Print out the next page of the person outline or Draw the outline of a simple gingerbread man on a piece of paper. Have your child color and decorate it however they want.

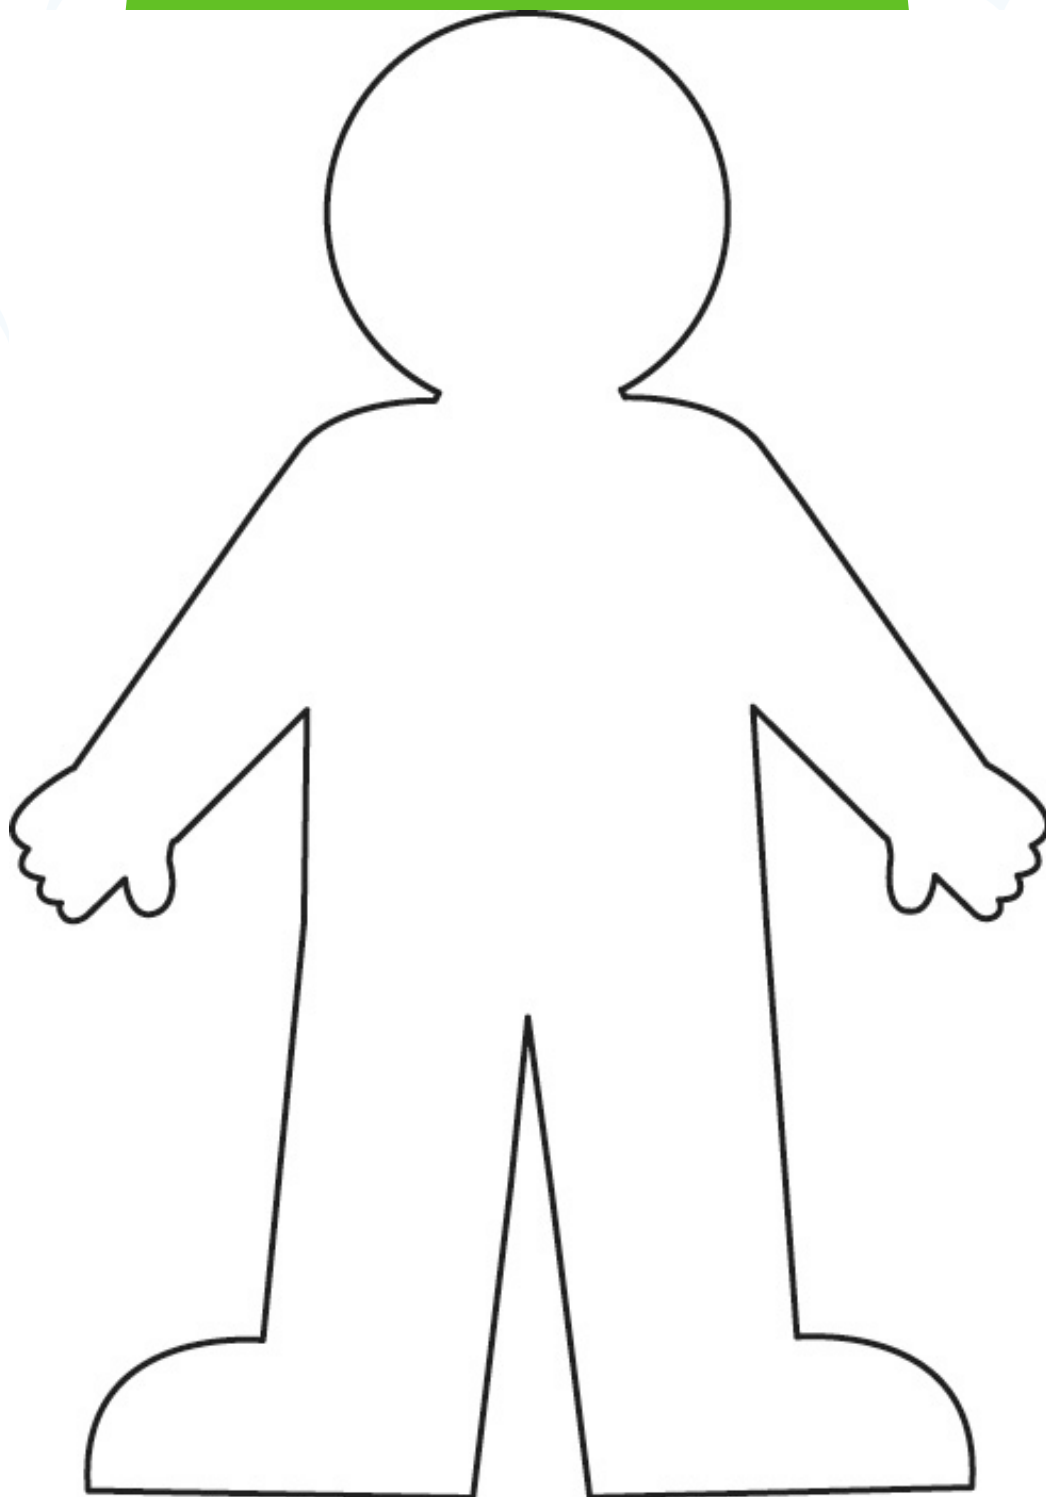

2

Cut the picture into pieces to make a puzzle. Cut straight lines, squiggly lines, and zigzag lines. Make it fun and interesting. (For older children, draw the puzzle lines on the paper and have them cut it out themselves.)

3

Put the puzzle together with your child and talk to them about how God made them and loves everything about them. They are wonderfully made
